Tea

Witchery Afternoon Blend

Specially sourced from St Andrews Tea garden in the world famous Dimbula Valley. The tea fields are covered in a swirling mist that lifts as the sun rises. This lighter brew is the perfect afternoon refreshment.

Witchery Breakfast Blend

New Vithanakande Tea Estate is perched on a hill overlooking an untouched rainforest. Parochial winds sweep through the rainforest, infusing the tea leaves with forest fruit flavours. The soil is abnormally high in nutrients creating a full bodied breakfast tea with a glorious black sheen and a complex caramel flavour with hints of forest fruits; a tea truly blessed by nature.

Serendipity Souchon

A tea that flourishes at sea level. The tea is gently smoked over cinnamon wood furnishing it with a fragrant smoked note. The finish in the cup is a whisper of spicy sweetness and splendour.

Waldemar Roasted Oolong

The deep roasting process produces a rich and comforting brew with fragrant notes of pears and a sweet nutty finish.

Inverness Estate

Due to the higher elevation in which the tea is grown at and its large leafy type, it produces a light tea ideal as an afternoon pick me up. The cup is light orange, with a rosy character that has unmistakable citrus notes of orange.

Planter's Earl Grey

The most aristocratic of teas, our Earl Grey is handpicked and infused with a drop of natural bergamot oil. A well-rounded bold tea balanced with fragrant citrus notes.

Planters' Green

Grown on the high peaks and hand plucked, this large leaf tea is pan heated to produce a light mellow brew with a delicate flavour and aroma. Fresh, sweet and invigorating.

Moroccan Peppermint

Our peppermint is grown by small farmers in Morocco's Toukbhal region. The particular variety of peppermint bush used produces a deep purple flower with a distinctive dark green leaf helps create a strong flavoured minty tea.

Whole Chamomile Flowers

Light and refreshing, possessing a clean and sweet flavour that finishes with delicate floral notes. Caffeine free and calming tea.

Apple and Cinnamon

Artful blend of black tea, apple pieces, hibiscus, marigold, liquorice and Ceylon Cinnamon gives your cup a fruity and spicy twist.
